# FUNbrella®

## FUNbrella®

- CLASSIC FUNbrella®
- SHARK FUNbrella®
- PALM FUNbrella®

Anchor’s FUNbrellas® are giant, permanent umbrellas constructed from tough aluminum and powder coated steel frames, plus a rainbow of available color and fabric options in acrylic and breathable mesh tops. Originally conceived for use around commercial pools where chemicals, water, and sun are abundant, FUNbrellas® are designed for long life, durability, and ease of use. The single center pole design minimizes obstruction, so people can enjoy the comfort of shade beneath the 12’ or 20’ diameter umbrella canopies.

## Choose from three popular styles • Classic • Shark • Palm

- Quick turnaround time, simple ordering process
  - Personalized customer service
  - Woven Acrylic or Anchor UV Shadecloth fabrics
- Multiple colors and patterns
  - Custom graphic capabilities

### **ABOUT OUR PRODUCTS**

#### **Product Information**

Visit our website at [www.emuamericas.com](http://www.emuamericas.com) for complete product specifications.

#### **Product Dimensions**

All dimensions and weights shown are to be considered approximate as a majority of the products are manufactured in countries using the metric system; all measurements are converted from metric units. EMU Group S.p.A and emuamericas, llc reserve the right to make improvements to its product design, and discontinue products or finish colors without prior notice.

Please note that all finishes on our marketing materials and website are approximate due to the variation in color monitors and the processes of photography and printing.

#### **Testing**

Each product at its inception is rigorously tested in house and with independent laboratories to assure a high quality outcome and UNI & CEI standards. All of our products are tested with a static weight of 250 lbs over 30,000 cycles to pass the commercial use application. Please contact us if BIFMA testing is required on a product.

#### **Fire testing**

Our EMU metal products have been tested for flammability and necessary documentation is available upon request.

### **AVAILABILITY**

Refer to the finish column in the price list for the availability of the product. We always recommend inquiring about the availability and lead time of quick ship stock and special order items.

#### **Quick Ship**

Quick ship products are continuously on order based on historical values; depending on quantity, quick ship items should be readily available in stock, however may have an extended lead time in case of current sell-out, or material shortages. We strive to keep substantial quantities of our bestsellers in stock at all times.

#### **Special Order**

Please check for current lead time for special order items. Please note that Emu Group S.p.A is closed for the entire month of August and lead time for special orders received between June 15<sup>th</sup> and September 15<sup>th</sup> is extended by four weeks. Our custom RAL color program is finished in Pennsylvania, USA per the customer's selection and is considered a special order item even if available as a quick ship item.

### **ASSEMBLY**

Some products require assembly; please refer to the instructions included with item packaging or visit our website for information on assembly instructions.

### **WARRANTY**

emuamericas, llc has a limited warranty on its product and shall not be responsible for any removal, installation, or reinstallation costs. Items are to be free from manufacturing defects in material and/or workmanship for structure and finish for a period of (1) one to (3) three years from date of invoice to original purchaser. This limited warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence, abuse or normal wear and tear. All items must be properly assembled per instructions.

emuamericas, llc will, at its option, repair, replace or refund the purchase price of any items found defective upon inspection. We request a completed quality claim and an individual photograph for any item claimed in addition to a group photograph for multiple items for each incident. The warranty is only valid if all parts that wear, such as chair foot caps, get replaced at least annually. Parts must be purchased within one month of replacement time and proper maintenance must be followed. Product failure caused by a lack of reasonable and necessary care and maintenance is not covered under warranty.

Any folding chairs and tables, Cushions and Shade Equipment are only warranted for a period of (1) one year.

Advanced Collection items and WES tops are only warranted for a period of (2) two years.

Please note that our steel items are not recommended in installations proximate to salt water.

Wicker used on items is subject to wear and tear and is not covered under warranty.

Dealers are required to complete the product warranty registration form for all deliveries to their warehouse or pickups (warranty form does not have to be completed for drop shipments).

For full warranty information, please visit our website.

### **PRICING**

All prices published are "LIST" (unless otherwise noted) price per single unit, FOB Lebanon, PA 17042 Distribution Center and do not include shipping costs, taxes or installation. Due to frequent international monetary fluctuations, we reserve the right to change prices without notice.

#### **MAP POLICY**

All authorized emuamericas, llc dealers and e-commerce dealers who resell our products to end users located in the United States must adhere to emuamericas' established MAP (minimum advertised price) of 30% off the current list price. This MAP policy applies to all advertisements of our products in any and all media, but does not apply to the price at which products are actually sold or offered for sale to a consumer within the reseller's location or over the telephone. Our policy does not establish maximum advertised prices; all resellers may offer our products at any price in excess of the MAP pricing. Prices listed on an internet site are considered "advertised price" until the customer has completed its online transaction and must adhere to this MAP policy.

## FREIGHT CLAIMS & DAMAGES

emuamericas, llc is not responsible for damage or loss incurred in transit. We shall not be responsible for any removal, installation, or reinstallation costs. All furniture is shipped at the purchaser's own risk after it has been inspected and securely packed at the distribution center and is accepted as such by the freight carrier.

Before accepting and signing for the merchandise from the carrier, inspect all cartons for visible or concealed damage and clearly note any loss or damage on the delivery receipt/BOL. The risk of damage or loss passes to the buyer at the time the shipment is picked up by the carrier, thus any occurred damage or loss is the responsibility of the carrier.

### VIA 3<sup>rd</sup> party

If a specific carrier was requested on the purchase order, the customer takes full responsibility for all freight issues, including contacting the carrier, damages, losses, additional freight charges and claims.

### VIA BESTWAY

If there is loss or damage, make an immediate claim with the delivering carrier. In the event of concealed damage, save all cartons and packing materials, and notify the freight carrier and emuamericas, llc immediately for inspection.

Missing items/parts/hardware claims against us will be considered only if filed with us in writing within 5 days of delivery date. Failure to make such claim shall constitute acceptance of the merchandise and waiver of any defects, errors, or shortages.

### REFUSALS

If a shipment is refused, re-consigned, re-delivered, stored or additional services are rendered; the customer is responsible for all additional charges incurred and applicable re-stocking fee.

### RETURNS

Special order items, parts, our custom RAL program and cushions are made to your specifications and are not returnable or refundable.

Quick Ship items may be returned within 30 days from the invoice date with an RMA. Items must be received in original condition (unused), in original boxes including all original interior packaging and palletized for a full refund minus the restocking fee.

### RE-STOCKING FEE

A minimum of 25% restocking fee will be charged for the return of quick ship items in original condition. Credit for returns will only be issued after

receipt and inspection of returned merchandise. Damaged returns are subject to additional charges incurred to restore goods to original condition or customer may reclaim the items FOB Lebanon PA 17042 if determined credit amount is insufficient. No return of merchandise will be accepted to our Lebanon, PA Distribution Center without our written consent via RMA (Return Merchandise Authorization) number, which includes the appropriate shipping instructions. Unauthorized returns will be refused and/or returned freight collect. RMA # is only valid for 15 days from issue date. A copy of the RMA must accompany the returned merchandise, and the RMA # must appear on each carton returned. No credit will be issued for goods without our written consent.

### DAMAGES

emuamericas, llc will, at its option, repair, replace or discount the purchase price of any items found defective upon inspection of freight claims, and shall not be responsible for any removal, installation, or reinstallation costs.

Any finish damages that are smaller than golf ball sized and do not penetrate the e-coat layer will be remedied by sending touch up paint to the client for repair.

## DISPUTE RESOLUTION AND GOVERNING LAW

Any dispute arising between Seller and Purchaser related to a transaction per our terms and conditions of sale or Limited Warranty shall be resolved by arbitration in Denver, Colorado, USA, under the rules of the American Arbitration Association and under the laws of the State of Colorado.

MATERIALS		
Aluminum	A	A chemical element that does not exist in a pure state in nature, aluminum is a malleable and ductile metal with strong resistance to corrosion and oxidation, thus used in multiple applications in the production of outdoor furnishings. Our products are designed and fabricated through the careful selection of alloy materials and their chemical composition to produce a product guaranteed for optimal performance. Our aluminum finishes come in different appearances depending on the product: powder coated, lacquered, brushed, polished (shiny) or matte (non-shiny). Please refer to our price list or website for each item's surface details.
All Weather Wicker	AWW	Synthetic all-weather wicker used in our products consists of either a fiber thread or a metal wire surrounded by thermoplastic polymers. Additives further improve the performance levels of this material, ensuring resistance to weathering, UV light and heat. This material is woven by hand on each item and worked with ancient craft traditions. We offer different colors of synthetic wicker dependent on the item selected; Sid Grey (76) and Elly Grey (74)
Bamboo	BMB	Bamboo is a rapidly growing material which is collected without causing deforestation. After harvesting, the outermost layer is removed and the bamboo strips are modified using a special thermo-treatment process which increases the stability of the material, ensures protection of the materials against fungi and guarantees the highest durability possible.
Ceramic/Porcelain	CR	It has excellent physical and mechanical properties making it ideal for outdoor use since it is resistant to atmospheric corrosion and unaffected by UV exposure. Its qualities allow it to be water and oil repellent. On Terramare available in Basaltina (34), Statuario White (35) or Emperador (36) as noted per item. On Tami Corner available in Statuario White (35) or Emperador (36) as noted per item.
Electro Galvanized Steel	EGS	An immersion process which bonds a layer of zinc to steel in order to protect against corrosion. Only available on our Valles benches.
Elastic Straps	ELS	The material is obtained by weaving synthetic materials such as propylene fibers (71%) and synthetic rubber 29%), enabling it to be used outdoors. Woven elastic straps joined to the frame in a unique and innovative way, Available on Yard Collection only, color available is dependent on frame finish selected.
E-Coated Steel	ES	Steel is the main product in the Iron and Steel Industry. EMU uses an alloy of Steel, Carbon Fe37 and with the rich know-how of technological and innovative procedures of surface treatments creates pleasing outdoor products. In the first phase, the material is degreased and covered with a layer of phosphoric micro-crystalline that assists to create a high anti-corrosive performance. The second phase is varnishing with a process of cathode electrodeposition (cataphoresis) which is the most technologically advanced method of protecting the metal for the outdoor elements. This process is done via several dipping tanks with the effect of a continuous electric field assisting in the deposition of a coat of finish. This process we call "e-coat". The product is then colored by using a polyester powder coat to give its final appearance. EMU products made in steel are 100% recyclable at the end of their life cycle. EMU Steel products are available in a variety of powder coats, these colors can be found in the enclosed price list or on our website.
Ferrus Treated	FS	A treatment that guarantees a high resistance to rust, process performed on cast iron products to prevent corrosion. Available on most site furniture furnishings offered.
HPL/Compact Laminate	HPL	High Pressure Laminate is a self-supporting material suitable for outdoor exposure. It consists of layers of paper in between phenolic resins and a decorative surface layer on top and bottom. We offer different colors of decors dependent on the item selected. High pressure laminate table tops carry a two (2) Year Limited Warranty.
Eco-Leather	L	Made out of compacted Nylon microfiber in a polyurethane bath, then re-coated with polyurethane in the same color. On Terramare available in White (200/92), Brown (200/93) Grey/Green (200/94) or Black (200/95) as noted per item.
Natural Wood	NW	Garapa Tropical Wood treated with Lingus fungicide & insecticide, then water proofed. Natural wood stain.
Polyester Fabric Cushion	PFC	Cushions are made through a process of thermoforming and hot shearing. Both the polyester fabric for the top of the cushion and the non-slip underside fabric are each separately adhered to polyurethane rubber. Both sides are then matched, inserted into a custom fit chair seat mold and heated to 180 centigrade to seal them into a cushion. The edges are immediately sheared for a continuous seam with no stitches.
Recycled Polymer	POLY	Recycled Polymer is eco-friendly, it derives from recycled and recyclable material. The material does not crack, splinter, rot nor dry. It has high resistance to bad weather conditions and humidity, it is long-lasting.
PPL	PPL	It is a thermoplastic polymer, used in conjunction to another material for the frame of the product to be able to offer a pop of color to furniture. Different colors available on Olly items.
Synthetic Rope	R	Double braid with polyester core and multifilament propylene cover. The external fibre is weatherproof and resistant to UV rays. We offer different colors and sizes of Synthetic Rope dependent on the item selected.
Stainless Steel	SS	Majority of the stainless steel used on our products is polished AISI 316, except for Lyze collection where it is powder coated in different colors as noted per item.
EMU-Tex	T	Also known as Textilene, it is a technical fabric for outdoor use made with polyvinyl chloride thread. It features exceptional strength to ensure durability, maximum resistance to UV rays, the elements, humidity and sudden changes in temperature. We offer different colors of Emu-Tex dependent on the item selected.
Tempered Glass	TG	Our tempered glass is manufactured in compliance to the international standards BS 7376 and complies with the international standard BS 6206. We offer different colors of tempered glass dependent on the item selected.
Teak or Natural Teak	TK	Teak is an extremely long lasting hardwood with high oil content and is suitable for outdoor use without the necessity of a sealing treatment. If not treated, the teak turns into a silver-grey color. This is the natural protection from inside of the wood, which is considered an essential part of teak's charm; this does not weaken the wood. Please note that if not sealed, the surface is exposed to staining. Since both teak and ash are natural products, it is subject to color variations within the product that we cannot be held responsible for. Wood can also crack due to constant changes in weather conditions which is not covered under our warranty. emuamericas, llc does not warranty furniture finish when sealed or oiled; always follow the manufacturer's instructions for applications of sealers, cleaners or oil. Our teak is unfinished, it will grey over time and could stain if not sealed, joints may open due to weather conditions. Table tops carry a (1) Year Limited Warranty.
Wood-Look Aluminum	WLA	Aluminum slats that are "heat wrapped" with film to create a maintenance free wood look item. Available in Oak (401), Wenge (402), Grey (400), Walnut (409) or Driftwood (500) as noted per item.
Wood Plastic Composite	WPC	A composite material made from wood fibers and HDPE. Resistant to UV rays and humidity, the material requires little maintenance.

## CARE & MAINTENANCE

### GENERAL MAINTENANCE

As with any equipment, proper and periodic maintenance is necessary to ensure longevity of the product and customer satisfaction. To ensure you get the most out of your investment, please follow our recommended maintenance and care instructions. We recommend that the products be examined every 30 days. Items requiring adjustments, showing any sign of structural failure, that have missing hardware or that show any cracks at the welds should be taken out of service immediately until repaired. Loose screws should be tightened as required and missing or worn out foot caps must be replaced. To obtain replacement parts, please contact your local representation or local dealer.

Furniture should be handled with care, following are some simple suggestions:

- When chairs are stacked, the stack should not be dragged.
- Stackable chairs should not be dropped or slammed down when being un-stacked.
- People should not rock backwards or stand on any emuamericas' item.
- For storage, all furniture should be stored neatly, stacked to suggested height, and packed in a clean and dry area.
- Tables should not be flipped and stacked
- Any standing water needs to be removed to avoid damage to finish.
- Cushions that are stored for longer periods of time should be stored in a dry ventilated area.

## QUICK GUIDE

### 1. FIND IT !

Use the  
**TABLE OF CONTENTS**  
on **page 2**  
to find the type  
of product  
you are looking for

Items are then  
listed alphabetically  
within the section

### 2. CHOOSE COLOR !

#### **NEED IT FAST?**

Pick the color that has the  
QUICK SHIP symbol ●

Below table is located at the top of every page

(●) QUICK SHIP (○) SPECIAL ORDER		16	17	20	22	23	24	26	32	37	41	48	50	60	61	62	71	72	73	75	86	95

### CORDING (SELECT MODELS ONLY)

List prices DO NOT include any cording. Cording is available on select models & quantity at an additional charge, please inquire.

### VINYL COM MATERIAL

100% vinyl fabric is not recommended for our cushions. If 100% vinyl COM fabric is chosen, the customer must provide a sample of the fabric before order will be accepted. 100% vinyl fabric is difficult to work with and requires special equipment to manufacture our cushions. They also require a vent fabric to be installed, because full vinyl cushions do not allow air to escape when compressed, and can cause the seams to split. Vent fabric will also need to be provided by the customer. There will be a 20% upcharge on 100% vinyl cushions.

### CUSHION DETAILS

All cushions are custom orders. NO EXCHANGES/REFUNDS/RETURNS ALLOWED

Warranty covers manufacturing defects such as seam failure for the period of (1) year from ship date

Misuse, alteration, or damage by natural or man made environmental elements voids any warranties written or implied

Wrong color, size, style, soiled product or cosmetic blemishes are warranted for a period of (5) days from the date of receipt

Dependent on fabric chosen, lead time is from order confirmation date

Freight chart not applicable to cushion orders. Please request freight quote

Cushions will ship with furniture unless otherwise requested for an additional fee

Color presented via swatches or website may vary to final fabric color due to dye lot production

PRODUCT DETAILS
Shade product line has one (1) year limited warranty on manufacturing defects and faulty raw materials
Color presented via swatches or website may vary to final fabric color due to dye lot production
Fabric swatches may be seen at <a href="http://www.emuamericas.com">www.emuamericas.com</a> or requested from emuamericas, llc
Umbrellas should be closed in moderate wind conditions; moderate wind on the Beaufort Scale means that wind is raising dust and lifts sheets of paper off the ground. Damage due to wind is not covered under warranty.
Periodic maintenance is required for all Shade products
In case of damage, most parts for umbrellas are replaceable and available for purchase at <a href="http://www.emuamericasparts.com">www.emuamericasparts.com</a>

Catena™ Metal Tables

To order: Specify table shape and dimensions, collection name, model description; For Catena table top, choose random finish stainless steel or powdercoated steel top. Other choices: support choice, freestanding or surface mount (see important guidelines below), powdercoat color, with or without umbrella hole. Some assembly required. **Important guidelines when specifying umbrellas with tables. When using umbrellas with 24" or 30" tabletops, surface mount or embedded supports are required. Quad support: regardless of tabletop size, surface mount is required. Catena support: regardless of tabletop size, we strongly recommend surface mount as freestanding bases may allow table to tip in windy conditions causing damage not covered under warranty.**

## Steelhead Metal Table

To order: Specify Steelhead table shape, size dimensions; select powdercoat color. Other choices: support choice, freestanding or surface mount (see important guidelines below), support powdercoat color, with or without umbrella hole. Some assembly required. **Important guidelines when specifying umbrellas with tables.** When using umbrellas with 24" or 30" tabletops, surface mount or embedded supports are required. Quad support: regardless of tabletop size, surface mount is required. Catena support: regardless of tabletop size, we strongly recommend surface mount as freestanding bases may allow table to tip in windy conditions causing damage not covered under warranty.
