

CONTRACT RENEWAL LETTER

Date: January 25, 2024
Contract #: UCPJMU6535
Service: Outdoor Furnishings & Accessories
Renewal Period: 3/1/2024 to 2/28/2025
Renewal #: 1 of 4 One-Yr
Issued By: James Madison University
Annie Korn, Lead Commodity Contract Officer &
Project Manager
Ph: 540-568-3133
Fx: 540-568-7935

Contractor: Victor Stanley, LLC
Attn: Emma Skalka
2103 Brickhouse Rd.
Dunkirk, MD 20754

Contract Administrator: Gary Shears, Facilities Management

Description of Renewal Notice:

In accordance with the renewal provision of the original contract all terms, conditions, and specifications of the original contract remain the same during the contract renewal period, along with any modifications that have been incorporated up until this point. The previous contract pricing is hereby replaced with the pricing below and attached to this renewal.

1. The University shall receive **5% off** the attached Victor Stanley Contract/Institutional Net January 8, 2024 V.23 pricing.
2. In addition to the overall 5% off, JMU shall be offered the following prices for these items:

PRODUCT #	DESCRIPTION	JMU PRICE
RB-28	STEELSITES™ RB COLLECTION; 6', Black	\$1,363
SD-42	IRONSITES® COLLECTION 36-GALLON SIDE-DOOR LITTER RECEPTACLE W/ DOME LID AND LINER, Black	\$1,590

All invoices shall be submitted within sixty days of contract renewal term expiration as well as for each subsequent contract renewal period. Any invoices submitted after the sixty day period will not be processed for payment.

Return one executed renewal notice to my attention within ten days.

PRICE SCHEDULE

Contract/Institutional Net January 8, 2024 v.23

OPTIONS PRICING (i.e. UPCHARGE) refers to options packaged as components of initial product order. For spare lids and liners, see REPLACEMENT PARTS, page 48.

Prices and specifications are subject to change. See product specifications for further details. All prices are F.O.B. factory. Drawings are not to scale. All measurements and shipping weights are estimated and will vary, particularly with small changes in moisture content of wood members. 2nd Site Systems® slats are offered in gray, maple, cherry, and walnut. All steel products are offered in a choice of twelve standard and metallic powder-coating colors, including black, bronze, teal, green, tavern square green, white, red, blue, gray, burgundy, silver metallic, and titanium metallic. We also offer a full range of RAL colors with available color matching. Additional cost may apply. We recommend that only TGIC polyester powders be used for outdoor applications. Ductile-iron castings come with our 10-year warranty against breakage.

Highest quality finish

The Victor Stanley "Publicote II" powder-coating process is fully described at www.victorstanley.com. It is the subject of a lengthy article in Powder Coating magazine and represents the highest level of powder-coating quality. For projects exposed to corrosive environments (including but not limited to saltwater exposure or to sand where the wind creates a sandblasting effect), Victor Stanley offers hot dip galvanizing as an option for most products prior to powder coating. When applying powder coating over galvanized surfaces, special surface preparations must be made and resulting finished surfaces may be less smooth than standard finishes due to the zinc substrate resulting from hot dip galvanizing. Contact your customer service representative for information and pricing.

Customize to fit your requirements

Victor Stanley offers signage and outdoor vinyl graphics for many of our products; a unique way to promote or identify a special area with messages, advertising, logos, memorials, and recycling. See page 47 or contact us for details.

In addition to a vast offering, Victor Stanley welcomes the opportunity to work on custom projects.

USA and worldwide patents

Many Victor Stanley products are covered by patents including but not limited to those listed below.
