

CONTRACT RENEWAL LETTER

Date: November 20, 2025
Contract #: UCPJMU6535
Service: Outdoor Furnishings & Accessories
Renewal Period: 3/1/2026 to 2/28/2027
Renewal #: 3 of 4 One-Yr
Issued By: James Madison University
Terri Wuenschel, Buyer Specialist
Ph: 540-568-7209
Fx: 540-568-7935

Contractor: Victor Stanley, LLC
Attn: Emma Skalka
2103 Brickhouse Rd.
Dunkirk, MD 20754

Contract Administrator: Gary Shears, Facilities Management

Description of Renewal Notice:

In accordance with the renewal provision of the original contract all terms, conditions, and specifications of the original contract remain the same during the contract renewal period, along with any modifications that have been incorporated up until this point. The previous contract pricing is hereby replaced with the pricing below and attached to this renewal.

- 1. The University shall receive 5% off the attached Victor Stanley Contract Institutional Net Price Schedule v25 pricing.
2. In addition to the overall 5% off, JMU shall be offered the following prices for the items below:

Table with 3 columns: Product #, Description, JMU Price. Rows include RB-28 (STEELSITES™ RB COLLECTION; 6', Black, \$1,563.00) and SD-42 (IRONSITES® COLLECTION W/ DOME, Black, \$1,824.00).

All invoices shall be submitted within sixty days of contract renewal term expiration as well as for each subsequent contract renewal period. Any invoices submitted after the sixty day period will not be processed for payment.

Return one executed renewal notice to my attention within ten days.

PRICE SCHEDULE

Contract/Institutional Net November 7, 2025 v.25

OPTIONS PRICING (i.e. UPCHARGE) refers to options packaged as components of initial product order. For spare lids and liners, see REPLACEMENT PARTS.

Prices and specifications are subject to change. See product specifications for further details. All prices are F.O.B. factory. Drawings are not to scale. All measurements and shipping weights are estimated and will vary, particularly with small changes in moisture content of wood members. 2nd Site Systems® and standard recycled slats are offered in light gray, wheat, espresso, black, burnt umber grain, harbor grain, and heirloom grain. All steel products are offered in a choice of 12 standard, and 7 optional colors, including black, bronze, teal, green, heritage green, tavern square green, white, red, admiral blue, blue, gray, burgundy, black satin, white satin, champagne satin, silver metallic, titanium metallic, yellow, and orange. We also offer a full range of RAL colors with available color matching. Additional cost may apply. We recommend that only TGIC polyester powders be used for outdoor applications. Ductile-iron castings come with our 10-year warranty against breakage.

Premium Finish for Enhanced Strength and Longevity

One of the key elements of the strength, longevity, and durability of Victor Stanley products is their high-quality finish, applied through our complex process known as Publicote. The entire process utilizes no toxic solvents, yields no particles of combustion, and represents our commitment to operating a modern, effective manufacturing process in a responsible and environmentally sound manner. For projects exposed to corrosive environments—such as saltwater or wind-driven sand—Victor Stanley offers hot dip galvanizing as an option for most products prior to powder coating. When applying powder coating over galvanized surfaces, special surface preparations are required, and the resulting finish may be less smooth due to the zinc substrate. Contact your customer service representative for additional information and pricing.

Customize to fit your requirements

Victor Stanley offers signage and outdoor vinyl graphics for many of our products; a unique way to promote or identify a special area with messages, advertising, logos, memorials, and recycling. Contact us for details.

In addition to a vast offering, Victor Stanley welcomes the opportunity to work on custom projects.
