STATEMENT OF NEEDS

Section IV

1. Record and/or transmit high-definition quality audio and/or video of a James Madison University event, either on campus or within the surrounding community. Projects under this section will require at least one audio and/or video capturing device, and may require one or more of the following:

a. Describe your ability to provide one or multiple cameras and/or microphones.

We can provide one or more HD or UHD 4K video cameras, accompanying audio equipment, microphones, full sound systems and/or any A/V equipment needed. Ryan Berry Productions owns many camera and sound capturing systems ranging from UHD 4K cinema cameras to HD Broadcast cameras to fully robotic PTZ camera systems. On occasion, we utilize A/V rental houses to accommodate specific needs or large numbers of simultaneous events.

b. Describe your ability to provide live video switching.

One of our specialties is live event video recording and IMAG services, which relies on our ability to perform live video switching. For the past several years, we have been and are currently handling a number of major JMU events that require live switching. We supply all equipment and handle the logistics that go along with it. We are proud to serve JMU year after year with video support for its major events and believe that this repeat business is a testament to our ability to provide JMU with quality service and the best in live event video production. We currently own three full systems and are capable of handling several events in different locations simultaneously. In addition to working with JMU, we also offer similar services to VMI, BCU, SU, GMU, UVA, and WVU.

c. Describe your ability to create and integrate video graphics, slides or animations.

We can create complex custom 3D animation, motion design elements, basic photoshop info-graphics and lower-thirds for any production, live or post-produced. Integrating graphics into a live-event program is a basic function of our video switcher systems. We can create the

graphics or we can accept graphics and ingest them into our systems for seamless integration and playback.

d. Describe your ability to provide videos ready for projection video screens within the venue.

Video playback and graphics insertion (slides and animation) are very simply played back with our computer based cue system and fed directly to the video switcher system and/or house A/V system. We can accept virtually any format and/or convert odd formats on site. We have provided playback in almost every event venue at JMU and are familiar and experienced with JMU in-house systems. Along with our partners at Southard Audio, we are the A/V company that provides JMU with video projection and LED wall services in the Convo and other venues around campus for graduations, concerts and special events. In some if not most cases, our techs will not only be providing you with the video playback but are also the the techs that are supplying the video screens and projector systems; this guarantees system compatibility and has already been utilized by JMU over the past few years with an excellent track record.

e. Describe your ability to provide video content that may require encoding to live web stream or other online delivery such as UStream and YouTube live streaming.

Our systems integrate very well with Ustream and YouTube for live web streaming. We have worked with JMU the past few years to provide this service with an excellent track record. Typically we do a test stream with a JMU representative in charge of the YouTube or Facebook channel well before each event to ensure a solid connection and proper web settings. We utilize both hardware and software encode systems to ensure the best streaming quality and reliability possible.

f. Describe your ability to provide videos that may require delivery of recorded video content to JMU via digital file (QuickTime compatible) or DVD if needed.

All of our event productions are recorded in QuickTime format and are ready for handoff at the end of each event. We can record in a wide range of compressions within the QuickTime wrapper. All of our post-produced productions are finalized in QuickTime

Apple ProRes and can be down sampled to any format requested. All proofs are uploaded to either DropBox or Vimeo for edit review and delivery. We offer small-run in house DVD and Blu-Ray duplication with full color disc face printing, and we also have several options for large run duplication services.

2. Produce final HD-quality video content for use in recruitment, alumni engagement, fundraising, athletics or academic programs. May require one or more of the following:

a. Describe your ability to provide video editing services.

Ryan Berry Productions offers award-winning editorial and post-production services. From large feature length documentary films to nationally broadcast TV ads to corporate marketing videos for some of the top Fortune 500 companies, we have the equipment, skill and experience to handle any level of post-production. We have successfully completed several edit projects for JMU marketing and events over the past few years.

b. Describe your ability to provide scriptwriting services (provide examples).

Over the course of his career, Ryan along with his team have written, produced, shot and edited thousands of productions from script to screen. We can handle conceptual ads, marketing pieces, fundraising videos or any number of production styles ranging in tone from humorous to sentimental and dramatic. Story telling is at the heart of everything we do, and the story starts with the script. Please see attached script samples.

c. Describe your ability to provide interviewing as part of the final product.

With hundreds of interviews recorded and years of experience behind us, we can say for sure that one of our greatest strengths is conducting interview based videos. Clients such as Boeing and GE hire us specifically for this reason, and other production companies and agencies have brought Ryan Berry in solely for the purpose of conducting interviews for specific productions. Understanding the entire process of

video production along with years of experience shooting and editing this style of video uniquely position us as experts in this area. We have developed a tried and true method of conducting interviews with CEO's who know how to speak in a sound-bite friendly manner to folks on the street that may be nervous to be on camera. In our view, making people comfortable in front of the camera and guiding them to deliver the bites that we need to tell the story — in their own words — is the key to a successful interview and a great finished product.

d. Describe your ability to provide video shoots with or without lighting.

Although we have multiple lighting solutions from large tungsten instruments to small and portable battery powered LED systems, lighting isn't always an option on some shoots. We utilize cameras with very sensitive sensors that can handle natural and low light very well. We strategically place shots to utilize the natural environment to our advantage. Using simple tools such as bounce cards, reflectors, scrims, overheads, etc., we can create a very polished look without the need for traditional lighting. Some of Ryan's Emmy winning camera work was done with little or no lighting at all.

e. Describe your ability to provide video graphics and/or animation.

We can produce a wide range of graphics and animation including simple Photoshop slides up to fully produced 3D motion graphics. We have many solutions in place to fulfill a wide variety of needs and budgets.

f. Describe your ability to provide voice over and/or sound effects.

We can record voice over in studio or (more frequently) utilize VO artists from around the globe to uniquely fit each project. VO demos and auditions are typically available. We also have the ability to use some trusted artists to supply quick-turn productions, usually in a same day delivery window. We have a large collection of sound effects and sound design elements in house and have access to vast libraries of online content to suit every need. Additionally we work with sound designers, re-recording mixers, composers, and folly artists to provide custom audio when applicable.

g. Describe your ability to create and deliver final footage, which meets industry standard technical specifications.

We regularly and successfully deliver content to major broadcast networks, film distribution companies and media duplication houses. Our standard operating procedure is to acquire footage at the highest quality possible, continue with that format all the way through post and render out full quality master copies of each production. For delivery, we down sample to match the broadcast venue, theater, or playback system's specs. For example: We shoot and edit most productions in 4K UHD and down sample HD 1080 for broadcast. This method ensures the highest possible quality throughput and future-proofs our clients' raw footage.

h. Describe your ability to provide final footage via digital file (QuickTime compatible) on DVD(s).

All of our event productions are recorded in QuickTime format and are ready for handoff at the end of each event. We can record in a wide range of compressions within the QuickTime wrapper. All of our post-produced productions are finalized in QuickTime Apple ProRes HQ and can be down sampled to any format requested. All proofs are uploaded to either DropBox or Vimeo for edit review and delivery. We offer small-run in house DVD and Blu-Ray duplication with full color disc face printing, and we also have several options for large-run duplication services.

i. Describe your ability to record aerial drone video and photo content.

Ryan is a FAA licensed drone pilot with many years of experience professionally capturing cinematic video and still photos for productions across the U.S. Some of our drone work has been used for films and on major networks such as HBO. We are experienced and familiar with JMU policies and guidelines regarding drone use on campus. One of our most memorable drone missions in recent years was the ESPN college game day at JMU — we captured footage from the air while maintaining safe distances from the crowd and in coordination with the ESPN camera teams.

STATEMENT OF NEEDS

Section IV

3. Provide detail quotes and invoices that are clear and concise.

a. Describe your ability to provide detailed quotes that clearly list all service/items to be provided and their associated cost(s).

After meeting with the designated representative for each project, we will follow up with an email that details the request and our suggested solutions. Included in our solutions we will list each line item required and its associated price. Once all final decisions and selections have been made by the representative, we will supply an official detailed quote.

b. Describe your ability to provide line item pricing on invoices.

When providing an invoice, we will use the exact list used in the quote to keep things as simple as possible. If there are any items added between the time of the quote and the completed work, those items will follow in the same format and be noted as such on the invoice.

c. Provide examples of quotes and invoices that show your ability to comply with this requirement.

Please see the attached samples.

4. Contractor shall provide JMU with unedited raw footage and rough cuts of all filming sessions for the university to save, review, and otherwise use without limitation at any point during and after fulfillment of the contract. Describe your ability to comply and meet this requirement.

We will provide all material requested either by digital download or on a portable hard drive at the completion of each project. It is our standard operating procedure to make all footage and material available to all of our clients for future

STATEMENT OF NEEDS

Section IV

CONTINUED

use. Additionally, we retain a backup copy of everything. In the event that any footage is lost or corrupted, we can easily supply an additional copy. By creating this library of archived footage, it is very easy for us to locate and utilize footage from past projects. We already have a vast archive of JMU footage on our storage system that can be used in any new project at your request.

5. Describe your ability to create video with industry standard technical specifications that are compatible with common video formats used in publicly-available hosted sites such as YouTube, Vimeo and Facebook.

All of our video files are mastered in a higher than industry standard spec. We can process our master files to any known format. Export to defaults for YouTube, Vimeo and Facebook are commonly used and are saved presets in all of our edit systems.

6. Describe your ability to integrate closed-captioning into videos when requested.

Closed-captioning can be integrated into any video at your request. We have closed captioned many nationally broadcast TV ads and infomercials along with web content and DVD distributed productions. Captioning can be formatted as a graphical burn-in (always visible) or a selectable track depending on the desired delivery and playback method.

7. Contractor shall abide by JMU brand guidelines (see: <http://www.jmu.edu/brand/vendor-requirements.shtml>) and shall notify the university's Digital Content Manager in the University Communications and Marketing Office when new projects are established and will include the Digital Content Manager on final video approvals. Describe your ability to comply and meet this requirement.

This is no problem as it is already our standard procedure when producing video for JMU marketing, events and other departments. We have a long and successful track record producing video for JMU.

8. Describe your project management approach for each video project and how you will meet the specifications, objective, and time frame for each project.

The key to our success in project management begins with careful planning and understanding the needs of the client. Communication is the most important thing in ensuring an on time delivery; Correct specifications, objectives, and our process puts communication in the forefront. Our typical approach when producing video for JMU is as follows:

- The first step is to have a meeting with the university representative that has requested the work. We make sure that there is a clear understanding of production dates, deadlines, budget, specifications and objectives.
- Once the production plan is laid out and agreed upon, we begin lining up everything that goes into the shoot — crew, equipment, locations, etc. -When everything is in place, we perform the on-site or in-studio production.
- Next, we immediately back up all footage and begin the editorial process.
- In a typical interview type production, we will cull all interview footage removing all unusable answers and dead space creating a client review cut of the usable raw footage. Our review cuts are loaded into Vimeo or Dropbox — this allows the client (JMU) to quickly and remotely review and advise before major editing even begins.
- Once preliminary reviews are in, we begin the edit process.
- When the rough cut is complete, another review is posted online.
- After gathering feedback, we go back in for the final edit, complete sound mix and color correction.
- The finished video is posted for final review.
- Any further tweaks are then addressed and the video is mastered and delivered. This streamlined approach has proven very successful for all of our clients including JMU. In the past, the majority of the projects from JMU have had a very quick turn time which we have happily accepted and been able to accommodate. We directly attribute our process and our years of experience to be the main reasons that JMU continues to hire us for videography work time and time again.

9. Provide various samples of your finished video work that showcase your quality of work, complement your clients' existing branded materials, and demonstrates your ability to meet the needs of this RFP. They can be provided via a link to a website or on a flash drive submitted with the proposal.

<https://vimeo.com/showcase/4996929>

10. Describe your ability to follow directions from university and athletics staff, in particular in strategic direction of video services and rolling out new elements (i.e. not debuting a new element without advance coordination with JMU staff)

Communication and collaboration with our clients in order to maintain a strong relationship is valued above all else at Ryan Berry Productions. When we work with you, we are part of your team — following your lead while giving you our best advice and work along the way just makes good sense to us. Much of the work we do is for clients that do not permit the work to be viewed externally for obvious reasons, examples: GE, Boeing and the U.S. Army. We are under multiple nondisclosure agreements and fully understand the importance of client confidentiality and upholding the trust of our clients, and we take these things very seriously. We never release any work, even in cases where this is not requested of us, without proper consent of the client. We even make sure that review copies are kept on secure servers and are never viewable by the public. Only when a finished product is approved and we have permission from the client would we post a copy on our own website, social media or any other public place.

STATEMENT OF NEEDS

Section IV

CONTINUED

11. Provide a list of the equipment used (description, brand, model, etc) your firm will use to service the requirements of this contract.

We utilize a very, very wide spectrum of equipment to achieve our various types of productions. We own and keep in-house a large stock of gear and we regularly rent equipment from trusted rental houses so that we can offer any piece of equipment that is requested or that will best do the job. Below is a list of the gear that we use frequently and would foresee using regularly for JMU:

- Blackmagic ATEM 4k 1ME video switcher systems
- Blackmagic cinema cameras
- Sony EVI-H100s PTZ video cameras
- Panasonic EVA1 cameras
- Panasonic LUMIX mirrorless cameras
- Blackmagic Pocket Cam
- Sony Alpha mirrorless cameras
- DJI Ronin camera stabilizers
- Edelkrone and Kessler camera sliders
- DJI video drones
- JonnyJib camera cranes
- Blackmagic Video assist monitor and ProRes recorder
- Atomos Ninja / Sumo
- Various lighting and grip equipment too numerous to list
- Various audio equipment too numerous to list (includes boom and wireless mic packages)

ABOUT RYAN BERRY PRODUCTIONS

Section V. B. 3. - Qualifications/Experience

Ryan Berry Productions LLC is an Emmy Award winning full service video and multimedia production company specializing in marketing, entertainment and live event coverage. We develop content for major networks, Fortune 500 corporations, NGOs, nonprofits and individuals. We also offer video support and coverage for major events for universities and corporations. Great storytelling is at the heart of everything we do. Our philosophy is as follows: Captivating video is created from a delicate balance of the creative and technical. Pretty pictures without a story leave the viewer wanting more. A great story is so much less than what it could be with compelling visuals and sound. We combine the art and the science of filmmaking to create stories that resonate.

For the past several years, Ryan Berry Productions has had the pleasure of working with James Madison University to create produced video pieces for events, graduations, marketing and much more. In addition, we have supplied JMU with multi-camera live switching, video playback, video projection / LED walls and support. We bundle our services alongside Southard Audio (a contracted vendor of JMU), and operate as the lead video tech for all events that Southard Audio handles for JMU. Because of the unique relationship with Southard Audio, we typically will be the video technician on site for the majority of events held at JMU that require video systems. With our years of experience supplying video support at JMU, we are also very familiar with the majority of facilities on campus that have built-in video systems and are accustomed to interfacing with them on a regular basis.

Ryan Berry Productions LLC is solely owned and operated by Ryan Berry. Production crews vary from project to project; freelance specialists are added on per project basis. We can scale from a 1 man operation to a 20+ person film crew. Ryan Berry has owned and operated several video and television production companies since 1999, the current being Ryan Berry Productions LLC.

Some of the clients we've had the pleasure to work with include:

- Boeing
- GE
- Schnieder Electric
- PBS
- CBS
- HBO
- U.S. Army
- AMC
- Comcast
- Discovery / Animal Planet
- JMU, UVA, VMI, VA Tech, GMU, BC, SU, WVU, UMW, NRCC, BRCC, PVCC, ESCC

Small Business: "Small business " means a business, independently owned or operated by one or more persons who are citizens of the United States or non-citizens who are in full compliance with United States immigration law, which, together with affiliates, has 250 or fewer employees, or average annual gross receipts of \$10 million or less averaged over the previous three years.

Woman-Owned Business Enterprise: A business concern which is at least 51 percent owned by one or more women who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership or limited liability company or other entity, at least 51 percent of the equity ownership interest in which is owned by one or more women, and whose management and daily business operations are controlled by one or more of such individuals. **For purposes of the SWaM Program, all certified women-owned businesses are also a small business enterprise.**

Minority-Owned Business Enterprise: A business concern which is at least 51 percent owned by one or more minorities or in the case of a corporation, partnership or limited liability company or other entity, at least 51 percent of the equity ownership interest in which is owned by one or more minorities and whose management and daily business operations are controlled by one or more of such individuals. **For purposes of the SWaM Program, all certified minority-owned businesses are also a small business enterprise.**

Micro Business is a certified Small Business under the SWaM Program and has no more than twenty-five (25) employees AND no more than \$3 million in average annual revenue over the three-year period prior to their certification.

All small, women, and minority owned businesses must be certified by the Commonwealth of Virginia Department of Small Business and Supplier Diversity (SBSD) to be counted in the SWaM program. Certification applications are available through SBSD at 800-223-0671 in Virginia, 804-786-6585 outside Virginia, or online at <http://www.sbsd.virginia.gov/> (Customer Service).

Valley Air script
“Plumbing- Things that Matter”
TRT: 30 seconds

VISUALS	AUDIO
Scene/Montage of a family playing board games in living room. We see the kitchen in the background.	Soft, heartwarming background music. No voice over for the first half of the ad as the kitchen scene plays out.
The wife takes a dish to the sink, she struggles with the faucet.	Voice over - Male voice: “Keeping your home and family safe and comfortable can sometimes get in the way of life.”
She picks up the phone and calls.	Wife: “Hi, we’ve got a leaky faucet, how soon can you send someone?”
(inside the house) We see a technician in a Valley Air uniform working on the faucet	
The wife rejoins the family, it’s her turn to play.	“You can count on us to take the stress out of your plumbing, heating, and cooling needs, so that you can get back to the things that really matter.”
Outside the house, we see the “Hero shot”, the fully marked Valley Air Van. The tech is opening the door to put his tools away. This serves as our logo shot for the end of the ad (the logo on the van will be highlighted and very visible). Text on screen “ valleyairhvac.com ”	“Valley Air - we’re there for you and your family when it matters most.”

I. PURPOSE

The purpose of this Request for Proposal (RFP) is to solicit sealed proposals from qualified sources to enter into a contract to provide Videography services for James Madison University (JMU), an agency of the Commonwealth of Virginia. Initial contract shall be for one (1) year with an option to renew for four (4) additional one-year periods.

II. BACKGROUND

James Madison University (JMU) is a comprehensive public institution in Harrisonburg, Virginia with an enrollment of approximately 20,000 students and 3,000 faculty and staff. Further information about the University may be found at the following website: <http://www.jmu.edu>.

James Madison University utilizes videography and video production services for a variety of communications and archival purposes. Included are production services for university events, recording of university events, lectures or programs, and production of informational and promotional videos and advertisements.

Videography projects will be in both live and pre-recorded format. Previous live broadcasts include open house events in Convocation Center for an audience of over 5,000, a live streamed presidential inauguration for the university, a streamed TED talk-inspired event on campus. Majority of produced videos will be archived and backed-up internally. They will also be uploaded on various platforms/hosting sites (depending on the project) such as YouTube, Vimeo, or Facebook. JMU is not seeking full-time production staff through this RFP.

III. SMALL, WOMAN-OWNED AND MINORITY PARTICIPATION

It is the policy of the Commonwealth of Virginia to contribute to the establishment, preservation, and strengthening of small businesses and businesses owned by women and minorities, and to encourage their participation in State procurement activities. The Commonwealth encourages contractors to provide for the participation of small businesses and businesses owned by women and minorities through partnerships, joint ventures, subcontracts, and other contractual opportunities. Attachment B contains information on reporting spend data with subcontractors.

IV. STATEMENT OF NEEDS

The contractor shall render one or more of the following services for any given project. Provide a detailed response to each item below.

1. Record and/or transmit high-definition quality audio and/or video of a James Madison University event, either on campus or within the surrounding community. Projects under this section will require at least one audio and/or video capturing device, and may require one or more of the following:
 - a. Describe your ability to provide one or multiple cameras and/or microphones.
 - b. Describe your ability to provide live video switching.
 - c. Describe your ability to create and integrate video graphics, slides or animations.
 - d. Describe your ability to provide videos ready for projection video screens within the venue.

- e. Describe your ability to provide video content that may require encoding to live web stream or other online delivery such as UStream and YouTube live streaming.
 - f. Describe your ability to provide videos that may require delivery of recorded video content to JMU via digital file (QuickTime compatible) or DVD if needed.
2. Produce final HD-quality video content for use in recruitment, alumni engagement, fundraising, athletics or academic programs. May require one or more of the following:
 - a. Describe your ability to provide video editing services.
 - b. Describe your ability to provide scriptwriting services (provide examples).
 - c. Describe your ability to provide interviewing as part of the final product.
 - d. Describe your ability to provide video shoots with or without lighting.
 - e. Describe your ability to provide video graphics and/or animation.
 - f. Describe your ability to provide voice over and/or sound effects.
 - g. Describe your ability to create and deliver final footage, which meets industry standard technical specifications.
 - h. Describe your ability to provide final footage via digital file (QuickTime compatible) on DVD(s).
 - i. Describe your ability to record aerial drone video and photo content.
3. Provide detail quotes and invoices that are clear and concise.
 - a. Describe your ability to provide detailed quotes that clearly list all service/items to be provided and their associated cost(s).
 - b. Describe your ability to provide line item pricing on invoices.
 - c. Provide examples of quotes and invoices that show your ability to comply with this requirement.
4. Contractor shall provide JMU with unedited raw footage and rough cuts of all filming sessions for the university to save, review, and otherwise use without limitation at any point during and after fulfillment of the contract. Describe your ability to comply and meet this requirement.
5. Describe your ability to create video with industry standard technical specifications that are compatible with common video formats used in publicly-available hosted sites such as YouTube, Vimeo and Facebook.
6. Describe your ability to integrate closed-captioning into videos when requested.
7. Contractor shall abide by JMU brand guidelines (see: <http://www.jmu.edu/brand/vendor-requirements.shtml>) and shall notify the university's Digital Content Manager in the University Communications and Marketing Office when new projects are established and will include the Digital Content Manager on final video approvals. Describe your ability to comply and meet this requirement.
8. Describe your project management approach for each video project and how you will meet the specifications, objective, and time frame for each project.
9. Provide various samples of your finished video work that showcase your quality of work, complement your clients' existing branded materials, and demonstrates your ability to meet the needs of this RFP. They can be provided via a link to a website or on a flash drive submitted with the proposal.
10. Describe your ability to follow directions from university and athletics staff, in particular in strategic direction of video services and rolling out new elements (i.e. not debuting a

new element without advance coordination with JMU staff)

11. Provide a list of the equipment used (description, brand, model, etc) your firm will use to service the requirements of this contract.

V. PROPOSAL PREPARATION AND SUBMISSION

A. GENERAL INSTRUCTIONS

To ensure timely and adequate consideration of your proposal, offerors are to limit all contact, whether verbal or written, pertaining to this RFP to the James Madison University Procurement Office for the duration of this Proposal process. Failure to do so may jeopardize further consideration of Offeror's proposal.

1. RFP Response: In order to be considered for selection, the **Offeror shall submit a complete response to this RFP**; and shall submit to the issuing Purchasing Agency:
 - a. **One (1) original and four (4) copies** of the entire proposal, INCLUDING ALL ATTACHMENTS. Any proprietary information should be clearly marked in accordance with 3.f. below.
 - b. **One (1) electronic copy in WORD format or searchable PDF** (*CD or flash drive*) of the entire proposal, INCLUDING ALL ATTACHMENTS. Any proprietary information should be clearly marked in accordance with 3.f. below.
 - c. Should the proposal contain **proprietary information**, provide **one (1) redacted hard copy** of the proposal and all attachments with **proprietary portions removed or blacked out**. This copy should be clearly marked "*Redacted Copy*" on the front cover. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable. JMU shall not be responsible for the Contractor's failure to exclude proprietary information from this redacted copy.

No other distribution of the proposal shall be made by the Offeror.

2. The version of the solicitation issued by JMU Procurement Services, as amended by an addenda, is the mandatory controlling version of the document. Any modification of, or additions to, the solicitation by the Offeror shall not modify the official version of the solicitation issued by JMU Procurement services unless accepted in writing by the University. Such modifications or additions to the solicitation by the Offeror may be cause for rejection of the proposal; however, JMU reserves the right to decide, on a case-by-case basis in its sole discretion, whether to reject such a proposal. If the modification or additions are not identified until after the award of the contract, the controlling version of the solicitation document shall still be the official state form issued by Procurement Services.
3. Proposal Preparation
 - a. Proposals shall be signed by an authorized representative of the Offeror. All information requested should be submitted. Failure to submit all information requested may result in the purchasing agency requiring prompt submissions of missing

information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the purchasing agency. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

- b. Proposals shall be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
- c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, sub letter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and sub letter should be repeated at the top of the next page. The proposal should contain a table of contents which cross references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at the appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
- d. As used in this RFP, the terms “must”, “shall”, “should” and “may” identify the criticality of requirements. “Must” and “shall” identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as “should” or “may” are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP, some individual “must” and “shall” items may not be fully satisfied, but it is the intent to satisfy most, if not all, “must” and “shall” requirements. The inability of an offeror to satisfy a “must” or “shall” requirement does not automatically remove that offeror from consideration; however, it may seriously affect the overall rating of the offeror’s proposal.
- e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.
- f. Ownership of all data, materials and documentation originated and prepared for the State pursuant to the RFP shall belong exclusively to the State and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by the offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protection of Section 2.2-4342F of the Code of Virginia, in writing, either before or at the time the data is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret materials submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection and return of the proposal.

4. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to James Madison University. This provides an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact-finding and explanation session only and does not include negotiation. James Madison University will schedule the time and location of these presentations. Oral presentations are an option of the University and may or may not be conducted. Therefore, proposals should be complete.

B. SPECIFIC PROPOSAL INSTRUCTIONS

Proposals should be as thorough and detailed as possible so that James Madison University may properly evaluate your capabilities to provide the required services. Offerors are required to submit the following items as a complete proposal:

1. Return RFP cover sheet and all addenda acknowledgements, if any, signed and filled out as required.
2. Plan and methodology for providing the goods/services as described in Section IV. Statement of Needs of this Request for Proposal.
3. A written narrative statement to include, but not be limited to, the expertise, qualifications, and experience of the firm and resumes of specific personnel to be assigned to perform the work.
4. Offeror Data Sheet, included as *Attachment A* to this RFP.
5. Small Business Subcontracting Plan, included as *Attachment B* to this RFP. Offeror shall provide a Small Business Subcontracting plan which summarizes the planned utilization of Department of Small Business and Supplier Diversity (SBSD)-certified small businesses which include businesses owned by women and minorities, when they have received Department of Small Business and Supplier Diversity (SBSD) small business certification, under the contract to be awarded as a result of this solicitation. This is a requirement for all prime contracts in excess of \$100,000 unless no subcontracting opportunities exist.
6. Identify the amount of sales your company had during the last twelve months with each VASCUPP Member Institution. A list of VASCUPP Members can be found at: www.VASCUPP.org.
7. Proposed Cost. See Section X. Pricing Schedule of this Request for Proposal.

VI. EVALUATION AND AWARD CRITERIA

A. EVALUATION CRITERIA

Proposals shall be evaluated by James Madison University using the following criteria:

	<u>Points</u>
1. Quality of products/services offered and suitability for intended purposes	25
2. Qualifications and experience of Offeror in providing the goods/services	20

3. Specific plans or methodology to be used to perform the services	25
4. Participation of Small, Women-Owned, & Minority (SWaM) Businesses	10
5. Cost	20
	<hr/> 100

- B. AWARD TO MULTIPLE OFFERORS: Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Commonwealth reserves the right to make multiple awards as a result of this solicitation. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous. Should the Commonwealth determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor's proposal as negotiated.

VII. GENERAL TERMS AND CONDITIONS

- A. PURCHASING MANUAL: This solicitation is subject to the provisions of the Commonwealth of Virginia's Purchasing Manual for Institutions of Higher Education and Their Vendors and any revisions thereto, which are hereby incorporated into this contract in their entirety. A copy of the manual is available for review at the purchasing office. In addition, the manual may be accessed electronically at <http://www.jmu.edu/procurement> or a copy can be obtained by calling Procurement Services at (540) 568-3145.
- B. APPLICABLE LAWS AND COURTS: This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with applicable federal, state and local laws and regulations.
- C. ANTI-DISCRIMINATION: By submitting their proposals, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and §10 of the Rules Governing Procurement, Chapter 2, Exhibit J, Attachment 1 (available for review at <http://www.jmu.edu/procurement>). If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender, sexual orientation, gender identity, or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate

accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*§6 of the Rules Governing Procurement*).

In every contract over \$10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the contractor agrees as follows:
 - a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - c. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting these requirements.
 2. The contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.
- D. ETHICS IN PUBLIC CONTRACTING: By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.
- E. IMMIGRATION REFORM AND CONTROL ACT OF 1986: By entering into a written contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.
- F. DEBARMENT STATUS: By submitting their proposals, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.
- G. ANTITRUST: By entering into a contract, the contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.
- H. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS RFPs: Failure to submit a proposal on the official state form provided for that purpose may be a cause for

rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

I. CLARIFICATION OF TERMS: If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

J. PAYMENT:

1. To Prime Contractor:

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- e. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Rules Governing Procurement, Chapter 2, Exhibit J, Attachment 1 § 53; available for review at <http://www.jmu.edu/procurement>*).

2. To Subcontractors:

- a. A contractor awarded a contract under this solicitation is hereby obligated:
 - (1) To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
 - (2) To notify the agency and the subcontractors, in writing, of the contractor's intention to withhold payment and the reason.
 - b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
3. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
 4. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.
- K. PRECEDENCE OF TERMS: Paragraphs A through J of these General Terms and Conditions and the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors, shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.
- L. QUALIFICATIONS OF OFFERORS: The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.
- M. TESTING AND INSPECTION: The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- N. ASSIGNMENT OF CONTRACT: A contract shall not be assignable by the contractor in whole or in part without the written consent of the Commonwealth.

- O. CHANGES TO THE CONTRACT: Changes can be made to the contract in any of the following ways:
1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
 2. The Purchasing Agency may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:
 - a. By mutual agreement between the parties in writing; or
 - b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the contractor's records and/or to determine the correct number of units independently; or
 - c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.
- P. DEFAULT: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.
- Q. INSURANCE: By signing and submitting a proposal under this solicitation, the offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with § 25 of the Rules Governing Procurement – Chapter 2, Exhibit J, Attachment 1, and 65.2-800 et. Seq. of the Code of Virginia (available for review at <http://www.jmu.edu/procurement>) The offeror

further certifies that the contractor and any subcontractors will maintain these insurance coverage during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

MINIMUM INSURANCE COVERAGES AND LIMITS REQUIRED FOR MOST CONTRACTS:

1. Workers' Compensation: Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change their workers' compensation requirement under the Code of Virginia during the course of the contract shall be in noncompliance with the contract.
 2. Employer's Liability: \$100,000
 3. Commercial General Liability: \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The Commonwealth of Virginia must be named as an additional insured and so endorsed on the policy.
 4. Automobile Liability: \$1,000,000 combined single limit. *(Required only if a motor vehicle not owned by the Commonwealth is to be used in the contract. Contractor must assure that the required coverage is maintained by the Contractor (or third party owner of such motor vehicle.)*
- R. ANNOUNCEMENT OF AWARD: Upon the award or the announcement of the decision to award a contract over \$100,000, as a result of this solicitation, the purchasing agency will publicly post such notice on the DGS/DPS eVA web site (www.eva.virginia.gov) for a minimum of 10 days.
- S. DRUG-FREE WORKPLACE: During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.
- For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
- T. NONDISCRIMINATION OF CONTRACTORS: An offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the offeror employs ex-offenders unless the state agency, department

or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

- U. eVA BUSINESS TO GOVERNMENT VENDOR REGISTRATION, CONTRACTS, AND ORDERS: The eVA Internet electronic procurement solution, website portal www.eVA.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. The eVA portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet eprocurement solution by completing the free eVA Vendor Registration. All offerors must register in eVA and pay the Vendor Transaction Fees specified below; failure to register will result in the proposal being rejected. Vendor transaction fees are determined by the date the original purchase order is issued and the current fees are as follows:

Vendor transaction fees are determined by the date the original purchase order is issued and the current fees are as follows:

1. For orders issued July 1, 2014 and after, the Vendor Transaction Fee is:
 - a. Department of Small Business and Supplier Diversity (SBSD) certified Small Businesses: 1% capped at \$500 per order.
 - b. Businesses that are not Department of Small Business and Supplier Diversity (SBSD) certified Small Businesses: 1% capped at \$1,500 per order.
2. For orders issued prior to July 1, 2014 the vendor transaction fees can be found at www.eVA.virginia.gov.
3. The specified vendor transaction fee will be invoiced by the Commonwealth of Virginia Department of General Services approximately 60 days after the corresponding purchase order is issued and payable 30 days after the invoice date. Any adjustments (increases/decreases) will be handled through purchase order changes.

- V. AVAILABILITY OF FUNDS: It is understood and agreed between the parties herein that the Commonwealth of Virginia shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

- W. PRICING CURRENCY: Unless stated otherwise in the solicitation, offerors shall state offered prices in U.S. dollars.

- X. E-VERIFY REQUIREMENT OF ANY CONTRACTOR: Any employer with more than an average of 50 employees for the previous 12 months entering into a contract in excess of \$50,000 with James Madison University to perform work or provide services pursuant to such contract shall register and participate in the E-Verify program to verify information and work authorization of its newly hired employees performing work pursuant to any awarded contract.

- Y. CIVILITY IN STATE WORKPLACES: The contractor shall take all reasonable steps to ensure that no individual, while performing work on behalf of the contractor or any subcontractor in connection with this agreement (each, a “Contract Worker”), shall engage in 1) harassment (including sexual harassment), bullying, cyber-bullying, or threatening or violent conduct, or 2) discriminatory behavior on the basis of race, sex, color, national origin, religious belief, sexual orientation, gender identity or expression, age, political affiliation, veteran status, or disability.

The contractor shall provide each Contract Worker with a copy of this Section and will require Contract Workers to participate in training on civility in the State workplace. Upon request, the contractor shall provide documentation that each Contract Worker has received such training.

For purposes of this Section, “State workplace” includes any location, permanent or temporary, where a Commonwealth employee performs any work-related duty or is representing his or her agency, as well as surrounding perimeters, parking lots, outside meeting locations, and means of travel to and from these locations. Communications are deemed to occur in a State workplace if the Contract Worker reasonably should know that the phone number, email, or other method of communication is associated with a State workplace or is associated with a person who is a State employee.

The Commonwealth of Virginia may require, at its sole discretion, the removal and replacement of any Contract Worker who the Commonwealth reasonably believes to have violated this Section.

This Section creates obligations solely on the part of the contractor. Employees or other third parties may benefit incidentally from this Section and from training materials or other communications distributed on this topic, but the Parties to this agreement intend this Section to be enforceable solely by the Commonwealth and not by employees or other third parties.

VIII. SPECIAL TERMS AND CONDITIONS

- A. AUDIT: The Contractor hereby agrees to retain all books, records, systems, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The Commonwealth of Virginia, its authorized agents, and/or State auditors shall have full access to and the right to examine any of said materials during said period.
- B. CANCELLATION OF CONTRACT: James Madison University reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
- C. IDENTIFICATION OF PROPOSAL ENVELOPE: The signed proposal should be returned in a separate envelope or package, sealed and identified as follows:

From: _____

Name of Offeror	Due Date	Time
_____	_____	_____

Street or Box No.	RFP #
City, State, Zip Code	RFP Title
Name of Purchasing Officer:	

The envelope should be addressed as directed on the title page of the solicitation.

The Offeror takes the risk that if the envelope is not marked as described above, it may be inadvertently opened and the information compromised, which may cause the proposal to be disqualified. Proposals may be hand-delivered to the designated location in the office issuing the solicitation. No other correspondence or other proposals should be placed in the envelope.

- D. LATE PROPOSALS: To be considered for selection, proposals must be received by the issuing office by the designated date and hour. The official time used in the receipt of proposals is that time on the automatic time stamp machine in the issuing office. Proposals received in the issuing office after the date and hour designated are automatically non responsive and will not be considered. The University is not responsible for delays in the delivery of mail by the U.S. Postal Service, private couriers, or the intra university mail system. It is the sole responsibility of the Offeror to ensure that its proposal reaches the issuing office by the designated date and hour.
- E. UNDERSTANDING OF REQUIREMENTS: It is the responsibility of each offeror to inquire about and clarify any requirements of this solicitation that is not understood. The University will not be bound by oral explanations as to the meaning of specifications or language contained in this solicitation. Therefore, all inquiries deemed to be substantive in nature must be in writing and submitted to the responsible buyer in the Procurement Services Office. Offerors must ensure that written inquiries reach the buyer at least five (5) days prior to the time set for receipt of offerors proposals. A copy of all queries and the respective response will be provided in the form of an addendum to all offerors who have indicated an interest in responding to this solicitation. Your signature on your Offer certifies that you fully understand all facets of this solicitation. These questions may be sent by Fax to 540/568-7935.
- F. RENEWAL OF CONTRACT: This contract may be renewed by the Commonwealth for a period of four (4) successive one year periods under the terms and conditions of the original contract except as stated in 1. and 2. below. Price increases may be negotiated only at the time of renewal. Written notice of the Commonwealth's intention to renew shall be given approximately 90 days prior to the expiration date of each contract period.
1. If the Commonwealth elects to exercise the option to renew the contract for an additional one-year period, the contract price(s) for the additional one year shall not exceed the contract price(s) of the original contract increased/decreased by no more than the percentage increase/decrease of the other services category of the CPI-W section of the Consumer Price Index of the United States Bureau of Labor Statistics for the latest twelve months for which statistics are available.
 2. If during any subsequent renewal periods, the Commonwealth elects to exercise the option to renew the contract, the contract price(s) for the subsequent renewal period shall not exceed the contract price(s) of the previous renewal period increased/decreased by more than the percentage increase/decrease of the other services category of the CPI-W section of the Consumer Price Index of the United States Bureau of Labor Statistics for the latest twelve months for which statistics are available.

- G. SUBMISSION OF INVOICES: All invoices shall be submitted within sixty days of contract term expiration for the initial contract period as well as for each subsequent contract renewal period. Any invoices submitted after the sixty day period will not be processed for payment.
- H. OPERATING VEHICLES ON JAMES MADISON UNIVERSITY CAMPUS: Operating vehicles on sidewalks, plazas, and areas heavily used by pedestrians is prohibited. In the unlikely event a driver should find it necessary to drive on James Madison University sidewalks, plazas, and areas heavily used by pedestrians, the driver must yield to pedestrians. For a complete list of parking regulations, please go to www.jmu.edu/parking; or to acquire a service representative parking permit, contact Parking Services at 540.568.3300. The safety of our students, faculty and staff is of paramount importance to us. Accordingly, violators may be charged.
- I. COOPERATIVE PURCHASING / USE OF AGREEMENT BY THIRD PARTIES: It is the intent of this solicitation and resulting contract(s) to allow for cooperative procurement. Accordingly, any public body, (to include government/state agencies, political subdivisions, etc.), cooperative purchasing organizations, public or private health or educational institutions or any University related foundation and affiliated corporations may access any resulting contract if authorized by the Contractor.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor(s), the resultant contract(s) will be extended to the entities indicated above to purchase goods and services in accordance with contract terms. As a separate contractual relationship, the participating entity will place its own orders directly with the Contractor(s) and shall fully and independently administer its use of the contract(s) to include contractual disputes, invoicing and payments without direct administration from the University. No modification of this contract or execution of a separate agreement is required to participate; however, the participating entity and the Contractor may modify the terms and conditions of this contract to accommodate specific governing laws, regulations, policies, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the Contractor.

The Contractor will notify the University in writing of any such entities accessing this contract. The Contractor will provide semi-annual usage reports for all entities accessing the contract. The University shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that the University is not responsible for the acts or omissions of any entity and will not be considered in default of the contract no matter the circumstances.

Use of this contract(s) does not preclude any participating entity from using other contracts or competitive processes as needed.

- J. SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:
1. It is the goal of the Commonwealth that 42% of its purchases are made from small businesses. This includes discretionary spending in prime contracts and subcontracts. All potential offerors are required to submit a Small Business Subcontracting Plan. Unless the offeror is registered as a Department of Small Business and Supplier Diversity (SBSD)-certified small business and where it is practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor is encouraged to offer such subcontracting opportunities to SBSD-certified small businesses. This shall not exclude SBSD-certified women-owned and minority-owned businesses when they have received SBSD small business certification. No offeror or subcontractor shall be considered a Small

Business, a Women-Owned Business or a Minority-Owned Business unless certified as such by the Department of Small Business and Supplier Diversity (SBSD) by the due date for receipt of proposals. If small business subcontractors are used, the prime contractor agrees to report the use of small business subcontractors by providing the purchasing office at a minimum the following information: name of small business with the SBSD certification number or FEIN, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided. **This information shall be submitted to: JMU Office of Procurement Services, Attn: SWAM Subcontracting Compliance, MSC 5720, Harrisonburg, VA 22807.**

2. Each prime contractor who wins an award in which provision of a small business subcontracting plan is a condition of the award, shall deliver to the contracting agency or institution with every request for payment, evidence of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the small business subcontracting plan. **This information shall be submitted to: JMU Office of Procurement Services, SWAM Subcontracting Compliance, MSC 5720, Harrisonburg, VA 22807.** When such business has been subcontracted to these firms and upon completion of the contract, the contractor agrees to furnish the purchasing office at a minimum the following information: name of firm with the Department of Small Business and Supplier Diversity (SBSD) certification number or FEIN number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product or service provided. Payment(s) may be withheld until compliance with the plan is received and confirmed by the agency or institution. The agency or institution reserves the right to pursue other appropriate remedies to include, but not be limited to, termination for default.
 3. Each prime contractor who wins an award valued over \$200,000 shall deliver to the contracting agency or institution with every request for payment, information on use of subcontractors that are not Department of Small Business and Supplier Diversity (SBSD)-certified small businesses. When such business has been subcontracted to these firms and upon completion of the contract, the contractor agrees to furnish the purchasing office at a minimum the following information: name of firm, phone number, FEIN number, total dollar amount subcontracted, and type of product or service provided. **This information shall be submitted to: JMU Office of Procurement Services, Attn: SWAM Subcontracting Compliance, MSC 5720, Harrisonburg, VA 22807.**
- K. AUTHORIZATION TO CONDUCT BUSINESS IN THE COMMONWEALTH: A contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described above that enters into a contract with a public body shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50, to be revoked or cancelled at any time during the term of the contract. A public body may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.
- L. PUBLIC POSTING OF COOPERATIVE CONTRACTS: James Madison University maintains a web-based contracts database with a public gateway access. Any resulting cooperative contract/s to this solicitation will be posted to the publicly accessible website. Contents identified as proprietary information will not be made public.

- M. CRIMINAL BACKGROUND CHECKS OF PERSONNEL ASSIGNED BY CONTRACTOR TO PERFORM WORK ON JMU PROPERTY: The Contractor shall obtain criminal background checks on all of their contracted employees who will be assigned to perform services on James Madison University property. The results of the background checks will be directed solely to the Contractor. The Contractor bears responsibility for confirming to the University contract administrator that the background checks have been completed prior to work being performed by their employees or subcontractors. The Contractor shall only assign to work on the University campus those individuals whom it deems qualified and permissible based on the results of completed background checks. Notwithstanding any other provision herein, and to ensure the safety of students, faculty, staff and facilities, James Madison University reserves the right to approve or disapprove any contract employee that will work on JMU property. Disapproval by the University will solely apply to JMU property and should have no bearing on the Contractor's employment of an individual outside of James Madison University.
- N. INDEMNIFICATION: Contractor agrees to indemnify, defend and hold harmless the Commonwealth of Virginia, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the contractor/any services of any kind or nature furnished by the contractor, provided that such liability is not attributable to the sole negligence of the using agency or to failure of the using agency to use the materials, goods, or equipment in the manner already and permanently described by the contractor on the materials, goods or equipment delivered.
- O. ADDITIONAL GOODS AND SERVICES: The University may acquire other goods or services that the supplier provides than those specifically solicited. The University reserves the right, subject to mutual agreement, for the Contractor to provide additional goods and/or services under the same pricing, terms, and conditions and to make modifications or enhancements to the existing goods and services. Such additional goods and services may include other products, components, accessories, subsystems, or related services that are newly introduced during the term of this Agreement. Such additional goods and services will be provided to the University at favored nations pricing, terms, and conditions.
- P. ADVERTISING: In the event a contract is awarded for supplies, equipment, or services resulting from this proposal, no indication of such sales or services to James Madison University will be used in product literature or advertising without the express written consent of the University. The contractor shall not state in any of its advertising or product literature that James Madison University has purchased or uses any of its products or services, and the contractor shall not include James Madison University in any client list in advertising and promotional materials without the express written consent of the University.
- Q. ELECTRICAL EQUIPMENT STANDARDS: All equipment/material shall conform to the latest issue of all applicable standards as established by National Electrical Manufacturer's Association (NEMA), American National Standards Institute (ANSI), and Occupational Safety & Health Administration (OSHA). All equipment and material, for which there are OSHA standards, shall bear an appropriate label of approval for use intended from a Nationally Recognized Testing Laboratory (NRTL).
- R. FORCE MAJEURE: In no event shall either party be liable to the other for cancellations or postponement of the Agreement (or PO if by Purchase Order) resulting from any cause beyond its control including, but not limited to, governmental orders, regulations, labor strikes, disease, virus, epidemic, pandemic, act of war, or terrorism, acts of God, fires, floods, curtailment of transportation, electrical failure or any event that prohibits attendees being able

- to attend the event. Notice of cancellation or postponement under this provision shall be received, by the non-cancelling party, within five (5) days of such occurrence. Such cancellation or postponement shall not constitute a breach hereunder and shall not subject either party to any penalties, liquidated damages, or forfeiture of any prepayment. In case of cancellation due to Force Majeure, any and all deposits being held will be promptly refunded.
- S. PRIME CONTRACTOR RESPONSIBILITIES: The contractor shall be responsible for completely supervising and directing the work under this contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this contract shall be responsible to the prime contractor. The contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.
 - T. SUBCONTRACTS: No portion of the work shall be subcontracted without prior written consent of the purchasing agency. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the purchasing agency the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the contract.
 - U. WORK SITE DAMAGES: Any damage to existing utilities, equipment or finished surfaces resulting from the performance of this contract shall be repaired to the Commonwealth's satisfaction at the contractor's expense.
 - V. KEYS: If the Contractor is given keys for this project, it is the Contractor's responsibility to return the keys when the contract is terminated, as well as for the safekeeping of the keys during the contract period. The Contractor shall not loan or duplicate the keys. In the event the Contractor loses the keys, they will be charged for the replacement of the keys and any locks which are rekeyed or replaced.
 - W. STANDARDS OF CONDUCT: The work site will be occupied by students and University Personnel during the times work is performed. Contractor and Contractor's personnel shall exercise a particularly high level of discipline, safety and cooperation at all times while on the job site. The Contractor shall be responsible for controlling employee conduct, for assuring that its employees are not boisterous or rude, and assuring that they are not engaging in any destructive or criminal activity. The Contractor is also responsible for ensuring that its employees do not disturb papers on desks, or open desk drawers, cabinets, or briefcases, or use State phones, and the like, except as authorized. James Madison University reserves the right to require the Contractor to remove any employee whose behavior is deemed unprofessional or objectionable.
 - X. DRONES/UNMANNED AIRCRAFT SYSTEMS: Any university employee, student or academic unit purchasing a UAS (or the parts to assemble a UAS) or contracting UAS services with university funds or funds being disbursed through a university account or grant funds, must notify and request approval through the UASOC. This is required in order for the university to meet a responsibility to investigate any required FAA waivers, and to meet state compliance requirements. Any use of drones on campus must also be explicitly authorized by the UAS Oversight Committee (UASOC).

IX. METHOD OF PAYMENT

The contractor will be paid based on invoices submitted in accordance with the solicitation and any negotiations. James Madison University recognizes the importance of expediting the payment process for our vendors and suppliers; we request that our vendors and suppliers enroll in our bank's Comprehensive Payable options: either the Virtual Payables Virtual Card or the PayMode-X electronic deposit (ACH) to your bank account so that future payments are made electronically. Contractors signed up for the Virtual Payables process will receive the benefit of being paid Net 15. Additional information is available online at:

Instructions: *Populate the table below to show your firm's plans for utilization of small, women-owned and minority-owned business enterprises in the performance of the contract. Describe plans to utilize SWAMs businesses as part of joint ventures, partnerships, subcontractors, suppliers, etc.*

Small Business: "Small business " means a business, independently owned or operated by one or more persons who are citizens of the United States or non-citizens who are in full compliance with United States immigration law, which, together with affiliates, has 250 or fewer employees, or average annual gross receipts of \$10 million or less averaged over the previous three years.

Woman-Owned Business Enterprise: A business concern which is at least 51 percent owned by one or more women who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership or limited liability company or other entity, at least 51 percent of the equity ownership interest in which is owned by one or more women, and whose management and daily business operations are controlled by one or more of such individuals. **For purposes of the SWAM Program, all certified women-owned businesses are also a small business enterprise.**

Minority-Owned Business Enterprise: A business concern which is at least 51 percent owned by one or more minorities or in the case of a corporation, partnership or limited liability company or other entity, at least 51 percent of the equity ownership interest in which is owned by one or more minorities and whose management and daily business operations are controlled by one or more of such individuals. **For purposes of the SWAM Program, all certified minority-owned businesses are also a small business enterprise.**

Micro Business is a certified Small Business under the SWaM Program and has no more than twenty-five (25) employees **AND** no more than \$3 million in average annual revenue over the three-year period prior to their certification.

All small, women, and minority owned businesses must be certified by the Commonwealth of Virginia Department of Small Business and Supplier Diversity (SBSD) to be counted in the SWAM program. Certification applications are available through SBSD at 800-223-0671 in Virginia, 804-786-6585 outside Virginia, or online at <http://www.sbsd.virginia.gov/> (Customer Service).
