Renewal Period: 4/12/2023 - 4/11/2024

Commodity: Steam Plant Specialty Parts

Pricing Schedule

The following Labor, Other Fees, and Discounts sections represent the negotiated pricing for all represented items and should be reflected in all quotes and proposals for the University. No other fees or charges shall be acceptable.

Labor & MISC.

Most of our services are free to the University, In a few exception we provide Universities with steam trap surveys. These services are quoted before and are not based on hourly rates. If an hourly rate is required for some type of service for contract purposes, Inge Equipment's Rate will be \$100/hr for each individual.

* Inge Equipment is the Manufacturer's Representative for Spence Engineering in Virginia. The 15% discount represents the most you would ever pay for a Spence item. In most cases JMU receives 25% discount and at times more. We have set this discount at a level to encompass all the different discount levels within the Spence price book. Inge also has \$300,000 in local inventory (Richmond), which can be delivered next day or in emergency same day.

* Note all prices will be based on current price sheets at time of order.

* Note "Priced per Order" they are all engineered products or factories who are experiencing steady inflation and they have chosen not publish list price sheets at this time.
